Membership Application Form

Values of Members

Naturi Sun & Health Club ("Naturi") is a small friendly naturist club, which meets on private land made available to us by the continuing generosity of the property owner.

Over the years we have developed a close-knit community of like-minded people who share the traditional values of naturism as expressed by the International Naturist Federation (INF) and the Australian Naturist Federation (ANF).

In order to be admitted as a member, applicants must satisfy the club committee and the existing membership that they share our values and will be a good fit with the existing group.

The only way we can be sure of these things is to spend time with you, seeing how you interact with the group, and being sure that you share our values about naturism. Our basic rule is that we need to meet you on at least two different occasions first before we will be ready to consider your application for membership. Please be patient and understanding about this requirement, as it is in the best interests of everyone.

The best time to mix with the existing members is to come to our monthly gatherings, usually held on the first weekend of each month. Our website www.naturiclub.com provides lots of information about upcoming gatherings, and your initial visits need to be organised through President of the Club.

We are very concerned to ensure that our little piece of nudist paradise is not spoilt by people with other motivations or who perhaps may not be a good fit for our community for

various reasons. Membership is a privilege not a right, and so we cannot guarantee that everyone who applies for membership will be admitted.

Likewise, the Club Committee reserves the right at any time to terminate membership of any members if, in his reasonable opinion, those members have behaved in a manner contrary to the values of naturism or in a manner which is damaging to the Naturi community.

Other Important Requirements

Applicants must sign a Waiver of Liability, in which they agree not to blame the club or its members and officeholders, if they are injured or their property is accidentally damaged.

Applicants also need to affirm their commitment to the Club Rules. The Club Rules, as amended from time to time, are posted on the Notice Board in the Club House, and are also available on our website.

Adults with children are expected to provide supervision to their own children at all times. Safety of children is paramount, especially around the pool area. Photography is not allowed, except with the express consent of the people involved.

Other Membership Details

Annual Membership Fees are currently set at \$200 per adult per year, and children are free. Provision of a gate key is an additional \$10.

Membership carries many benefits, including:

- *the ability to visit Naturi whenever you like, 365 days of the year
- *admission is free (no daily visitor rates)
- *the chance to become a permanent part of a wonderful community of like-minded people

We try not to be governed by rosters or rigid rules about how members contribute to the community. However, we expect that everyone will pitch in with a helping hand from time to time to help maintain our piece of paradise! We also hope that members will try to come to monthly meetings as much as their other life commitments allow.

Some members have arranged to bring their own caravans, or have entered into arrangements to lease sites at Naturi. All such arrangements are made with the club committee.

Questions?

If you have any questions about membership, please ask the Club Secretary, or of course you can ask existing members of the Club when visiting.

Want to apply to become a member?

If you have visited on a couple of different occasions, and would like to apply for membership, please complete the form on the following pages, and provide it to the Club Secretary. Your application will be considered at our next monthly meeting.
